ABOUT US

Vision

The company has a vision of becoming one of the most successful Sanitary ware manufacturer and supplier in the present competitive ceramic industry.

Mission

Our mission is to focus on manufacturing in the product which are of best quality as required by the customer.

Goals

Continuous improvement of quality in all the manufacturing process, continuous training and education staff every quarterly. Keep The Marketing Channels and Dealers upgrade on the resented changes in the industry.

Production

The Company has well trained and experienced manpower to handle its production. There is an effective control over the whole production cycle achieve quality products. Production department is state of the art with use of all the modern technology like advanced tunnel kiln, modern glazing units and battery casting that is suitable for mass production goods.

Quality

Quality at eagle is a three pronged approach focusing on people, Products and Processes. The central principle is to find the cause and eliminate it. This system is very effective in managing quality and moving to a higher level without much loss.
